Dear Sir/Madam:

I have been told that

Dririte of Hillsborough County
11841 U. S. Route 41, S.
Gibsonton, FL 33534

is already in your Register but I wanted to let you know how very competent, capable and considerate their staff and workmen are.

A leak was found in my house. It had been undiscovered for many month and had caused a lot of mold and unseen damage. Dririte was recommended by my insurance adjustor and they did a bang-up job. They went the extra mile to complete the job in due time and to my complete satisfaction.

I recommend them highly.

Sincerely,

Claire A. Smith
